

# Geology of San Diego

with Jennifer Olim, PhD

Saturday • 4/26/25 • 2:30–4:00 pm • Community Room

Ever wonder why our beautiful county, from Torrey Pines to Mt. Woodson to the desert canyons, looks the way it does? Explore the fascinating geology of San Diego. Dr. Jennifer Olim will discuss how volcanoes, faults, and floods have shaped the landscape.

This San Diego Oasis event is free to attend thanks to the generous support of the Friends of the Mission Hills–Hillcrest/Knox Branch Library.
