

The Social Life of Giraffes

Presentation by Fred Bercovitch, PhD

Saturday, 3/30/24 • 2:30 PM • Community Room

Dr. Bercovitch will discuss giraffes' complex society, with gregarious females forming babysitting groups and solitary males devoting their lives to finding sex partners. He is a wildlife conservation biologist who has studied giraffes both in captivity and in the wild in Zambia and South Africa. He has published a number of scientific articles, as well as contributing to *Zoonooz*, *Mongabay*, and *USA Today*.

This San Diego Oasis event is made possible by the generous support of the Friends of the Mission Hills-Hillcrest/Knox Branch Library.
