Dear Library Advocate,

Mission Hills and Hillcrest residents love their new Library—and for good reasons. The Mission-style building on the corner of Washington and Front Streets has become an important community gathering place and attendance has soared.

Now, you can share your enthusiasm by supporting the Library's nomination as an Orchid in the San Diego Architectural Foundation's annual Orchids & Onions. [Visit here](#) to share your comments on why you love the Mission Hills-Hillcrest/Knox Library **before July 6.**

Nomination comments are a factor in selecting Orchids and nominations with the most comments are eligible for the "People's Choice" award.

Also, the Library Foundation has extended the deadline to [reserve an engraved tile](#) at the new Library until **July 15**, another wonderful opportunity to show your love for your Library.
