Friday Flicks - Movie Titles

3/1 Mrs. Doubtfire
Troubled that he has little access to his children, divorced Daniel Hillard hatches an elaborate plan. With help from his creative brother Frank, he dresses as an older British woman and convinces his ex-wife, Miranda, to hire him as a nanny. "Mrs. Doubtfire" wins over the children and helps Daniel become a better parent -- but when both Daniel and his nanny persona must meet different parties at the same restaurant, his secrets may be exposed.

3/8 Casablanca
Rick Blaine, who owns a nightclub in Casablanca, discovers his old flame Ilsa is in town with her husband, Victor Laszlo. Laszlo is a famed rebel, and with Germans on his tail, Ilsa knows Rick can help them get out of the country.

3/15 Rugrats in Paris
In the long-running animated series' second feature film, the focus is on the show's perennial second banana, Chuckie. Dads Stu and Chaz are unexpectedly sent to Euro-Reptarland in Paris, where the animatronic dinosaurs they built for the amusement park are malfunctioning, much to the displeasure of manager Coco La Bouche. When the dislikable Coco gets interested in the single Chaz, Chuckie and his friends swing into action.

3/22 Ghost in the Shell
In the near future, Major is the first of her kind: a human who is cyber-enhanced to be a perfect soldier devoted to stopping the world's most dangerous criminals. When terrorism reaches a new level that includes the ability to hack into people's minds and control them, Major is uniquely qualified to stop it. As she prepares to face a new enemy, Major discovers that her life was stolen instead of saved. Now, she will stop at nothing to recover her past while punishing those who did this to her.

3/29 Wreck-It Ralph
Arcade-game character Wreck-It Ralph is tired of always being the "bad guy" and losing to his "good guy" opponent, Fix-It Felix. Finally, after decades of seeing all the glory go to Felix, Ralph decides to take matters into his own hands. He sets off on a game-hopping trip to prove that he has what it takes to be a hero. However, while on his quest, Ralph accidentally unleashes a deadly enemy that threatens the entire arcade.
