CELEBRATE WITH SAN DIEGO'S FIRST POET LAUREATE

RON SALISBURY

Saturday, April 11th, 2020

2:00 pm

Like many of us who live in San Diego, I was adopted by this city from someplace else. It is a great honor to be chosen as San Diego's first Poet Laureate. I want to give back to the city that adopted me, share my poetry with its people and share San Diego with the nation.

Join us for a very special event featuring distinguished poet and San Diego's first Poet Laureate Ron Salisbury. Mr. Salisbury is thrilled to read some of his work and share his love for poetry with the community.
