Community Room

The U.S. Constitution shapes nearly everything about your relationship with the U.S. government, but it is open to widely divergent and changing interpretations. Join us for a brief presentation on the history of the Constitution and where it stands today.

The presenter, **Melissa Mandel, JD**, spent most of her 34-year career as a Supervising Deputy Attorney General and prosecuted cases in the Supreme Court. She is co-author of the new edition of *U.S. Constitution for Dummies*.
